Annual Development Newsletter and Honor Roll of Donors

The Marist Brothers

Province of the United States

The mission of the Marist Brothers is to bring Christian education to youth, especially those most neglected.

Dear Friends,

What a year it's been—so many blessings and a few difficult moments, too.

Since we sent you last year's Annual Newsletter and Honor Roll of Donors, Br. Hugh, my Co-Director in the Marist Brothers Development office for the past almost 30 years, embraced a new chapter in his life. Due to health issues, Br. Hugh decided it was time to retire as Co-Director of Development.

Br. Hugh's retirement meant an out-of-state move to a Marist Brothers retirement facility, and that hit a lot of us very hard. I miss him in the office, where we worked side by side, five days a week, for nearly three decades, as we started and built up the Development Office to where it is today.

Although Br. Hugh is on my speed dial—always there for long-distance counsel—everyone has embraced the “new normal” and focused on the blessings God continues to bring us.

I want to begin with our kind and generous benefactors who bring the financial assistance our Brothers count on to continue their ministries with young people. Your gifts support our Marist Brothers' dedication to educating children and preparing young students for a better future. Your gifts also help us to care for our elderly and disabled Brothers—like Br. Hugh. From my heart, I thank you!

As I move forward into my new role as sole Director of Development, I also celebrate the past—from my 30 years working beside Br. Hugh, to this most recent year's loyal benefactors who so generously made a gift to the Marist Brothers. Your continued financial and prayerful support will strengthen the goals Br. Hugh set for the Marist Brothers Development Office from its inception.

For now, I invite you to catch up on the latest happenings in the Development Office and throughout the Province. It's a quick look at what your dedication supports—and why we are so thankful for your presence within our Marist Family.

With great appreciation,

Paulette M. Karas

Br. Hugh Turley, FMS

Retires from the Development Office!

For the past nearly thirty years Br. Hugh Turley, FMS, has served as Co-Director of the Marist Brothers Development Office along with Paulette Karas. During these years, the two of them have worked untiringly to promote the Marist Mission and to invite literally thousands of individuals to join with them in this effort through their prayers, support, and very generous financial contributions.

In October 2018, Br. Hugh moved from Chicago to the Marist Retirement Community on the campus of Mount St. Michael Academy in the Bronx, New York. While still actively interested in the progress of the Province Development Office, these days he is directly benefiting from the wonderful physical and spiritual care that the generosity of so many of our Marist friends have made possible for our elderly brothers.

In a recent interview with Br. John Klein, Br. Hugh reflected on the following aspects of his life and ministry as a Marist Brother:

Br. Hugh, could you tell us something about your vocation story...your decision to become a Marist Brother?

First, I grew up in an Irish, Catholic family where faith and family were the key values. Both my parents were immigrants and they instilled in each of their six children the importance of education and the practice of the faith. In fact, each day we prayed the Rosary together as a family. I believe that this helped form the foundation of my vocation.

Second, I was strongly influenced by the Franciscan Brothers of Brooklyn, who were my elementary school teachers, and by the Marist Brothers, who taught me at St. Agnes High School in Manhattan. When the Marist Vocation Director invited me to consider a vocation, it just felt like the right thing to do, and at 15 years of age I entered the Marist High School Juniorate in Esopus, New York.

How did you come to be involved in the Marist Brothers Development Program?

When I was around 52 years old and teaching in Jackson, Mississippi, Br. Sean Sammon, our Provincial at the time, met with me to explain a variety of Province needs. In order to address some of the financial concerns, he asked me to become the first Director of a Province Development Office. At the same time, he mentioned that he wanted me to commit to serve in this capacity for 10 years in order to guarantee the success of the effort. The thought of a 10-year commitment took me aback, but I could not have anticipated at that time that I would still be in that role three decades later!

What have you learned through this Ministry?

I have learned, and been humbled, by the goodness of our Lay Marist friends who instinctively pick up the Marist spirit. I have learned how important it is to listen to other people involved in development work from other religious congregations. Over the years they have generously shared their insights and expertise. I have also learned after countless telephone conversations and visits that many donors are anxious to share their own personal concerns and hopes. As a result, fundraising has become a real ministry for me. Finally, I have come to appreciate that our donors respond to our invitation for support when it strikes a reasonable chord of authenticity and real need with them. People truly do not contribute because they are looking for a tax advantage, but because they believe in the mission.

As you look back on your life and ministry, what are you most grateful for?

When I completed our Second Novitiate Renewal program in 1989, I decided to reflect with gratitude each day on the many things I was grateful for. Consequently, I formed my own Five Decades of the Rosary that focused on the five things for which I was particularly grateful and I have prayed this every day since.

They are:

1. My good health
2. My family...my brother and four sisters
3. Paulette Karas, who has been my right arm and invaluable colleague
4. The Marist Brothers and my vocation
5. My role in the Development Office that drew on my talents and abilities

I have been very grateful throughout my life. This has made life a lot easier.

LaValla League

Each year in a spirit of gratitude and recognition we recognize new members to the LaValla League, in appreciation of their 10 consecutive years of giving to the Marist Brothers Annual Fund appeal.

We chose the name “LaValla,” for LaValla was the name of the village in southern France where the Marist Brothers began in 1817. “LaValla” embodies the sentiments of allegiance and of beginnings.

In gratitude for their kindness and generosity, each new member has received a unique, commemorative pewter medallion of St. Marcellin Champagnat encased in lucite.

This year we are proud to announce the addition of the following 48 new members, bringing the new total of LaValla League members to 1,278.

Congratulations!

Dear Friends,

Over the course of the past year in my role as the Director of Major and Planned Gifts, I have had the unique opportunity to meet many of you who have been exceptionally generous in your financial support. Consistently, I have been humbled by the genuine faith, prayerfulness, and generosity of so many of our Marist friends who deeply believe in our mission and are concerned about the welfare of our elderly Brothers. I hope to meet many more of you in the year ahead.

So, I want to personally thank those of you whom I have already met, spoken to on the phone, exchanged correspondence with, etc. It has been a privilege to have had the opportunity to know you. Often I have left visits and conversations personally challenged and enriched. You have become not only financial donors but an important part of our Marist Family. I am so grateful for everything you do for us and especially for your example. This has encouraged me to incorporate my personal vocation and the mission of the Marist Brothers, "To Make Jesus Known and Loved," into everything I strive to do.

I want you to know that we ask the Brothers to include your prayer requests in their prayers. Our elderly Brothers living in our retirement community, Champagnat Hall, in particular, are virtually a powerhouse of prayer and they remember you each day. This helps link us together as a real family. Once again, thank you very much for your prayers, for your financial generosity, and for including the Marist Brothers in your wills and estate planning—and, in the process, for supporting our mission.

With personal best wishes,

Making an Impact with Your Estate Plans

A gift through your will or other estate plan lets you continue your support of favorite charitable interests into the future. A properly planned legacy gift offers potential tax and other financial benefits for your estate and/or heirs. It is important to consider how such charitable gifts might affect your overall estate plan, so always consult your lawyer and other professional advisers.

Make a Bequest in Your Will or Other Estate Plan. When you make or update a will, you may include charitable bequests of a percentage of what is left after other bequests have been made, a specific dollar amount, or even a particular asset. You may be able to add a bequest to an existing will through a codicil, or amendment.

Make Your Preferred Charity the Beneficiary of a Retirement Plan. When you leave the balance of an IRA or 401(k) to your heirs, they must carefully manage the account to avoid losing its tax-deferred status and potentially triggering large income taxes and possible penalties. You can simplify matters for your loved ones by directing all or a portion of what remains in your retirement accounts to charities and leaving other more tax-favored assets to your heirs.

Designating a charitable beneficiary of an IRA or 401(k) does not require you to change your will. It is important to check with your plan manager to make sure your current intent is reflected on your beneficiary designation.

Make a Gift of Life Insurance. You can also name a charitable interest as the beneficiary of life insurance policies without changing your will. As your financial and family circumstances have changed over the years, you may have life insurance policies that are no longer needed for their original purposes. They may make an excellent source of charitable gifts.

There are many ways to structure your gifts to maximize the benefits both to you and your loved ones.

Please consider a legacy gift to The Marist Brothers when making or reviewing your estate plans.

Giving that Grows!

Find out if your employer has a Matching Gift Program!

Thank you for your support of the Marist Brothers. Every gift we receive is significant in funding the Brothers and our ministries in the United States. **Are you interested in growing your gifts?** Corporate matching gift programs are an easy way to double or triple charitable contributions made by their employees.

Contact your workplace's human resources department today to ask if your company is one of the thousands that match employee contributions! Some retirees and spouses may also qualify.

Just ask. The best part is it won't cost you anything extra to double or triple your next gift to the Marist Brothers. Your company will do that for you!

Making a matching gift is easy.

Depending upon your employer's policy, matching gifts can be made in one of the following ways:

- 1) Obtain a matching gift form from your employer and send it along with your gift to the Marist Brothers.
- 2) Provide your employer with a receipt or acknowledgement letter from the Marist Brothers, which confirms that the gift was made.
- 3) If your company has a phone or internet matching gifts program, please indicate that you have arranged for such a match when you send in your gift.

Dear Marist Family,

Thank you for your support of our Marist Brothers mission, community life, and spirit. With your generous interest and help, Marist Brothers and our Lay Marist partners are sent as apostles to young people here in the United States and throughout the world to tell them the good news of Jesus Christ through quality, orthodox, and compassionate Catholic education and spiritual formation.

With the example of Mary, our good Mother, Marists of Champagnat are dedicated to be the face and hands of tender mercy in our Church. We stay faithful to the evolving vision of our founder, St. Marcellin Champagnat, who founded our first school over 200 years ago. We conduct schools, successful retreats, and camp ministries, and promote a spirit of Christian service and social outreach in the areas where we serve.

This year, in the Province of the USA, we are celebrating the lives of Brothers who have given nearly 800 years to Marist Brother consecrated life. The Dean of our Province, Br. Joseph Teston, observes the 80th anniversary of his profession of first vows in 1939. We are blessed to have his example and continued dedication to our Marist mission and life. We also celebrate "youngsters," compared to Br. Joseph. These Brothers professed in 1959 and celebrate 60 years of Marist life. Congratulations to Brothers Ronald David, Gerard Brereton, Robert Conley, Francis Garza, John G. Herrmann, Benedict LoBalbo, John McDonagh, John McDonnell, John Nash, Donald Nugent, Edmund Sheehan, and Michael Williams. Thank you, Brothers.

These Brothers are extraordinary ministers, true apostles and teachers to youth and the Church. They are exceptional educators, and life-long learners. They are and have been evangelists, founders, administrators, builders, scientists, counselors, psychologists, coaches, linguists, spiritual directors, and mentors. With all their experience, you've probably had the chance to know them in a school or on your own spiritual journey. I know they are dear friends to many of you.

We celebrate you as well, and thank you for your generous support that sent these Brothers on missions. Pray with me for all our Marist Family, especially that the Lord will send new Marist Brothers and Lay Marists who will carry on the incredible works and spirit of these men.

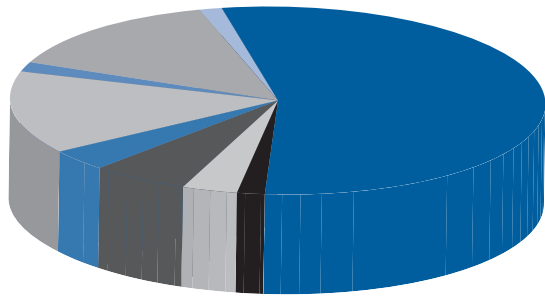

Be assured of our daily prayers for your intentions. I leave you in the hearts of Jesus, Mary, and St. Marcellin.

God bless,

Our 2018-2019 Appeals

***Thank you for faithfully remembering the Brothers
and their work throughout the year!***

First Gifts of the New Year

Every January, the Marist Brothers send a personalized gift history statement to our donors with their giving history for the previous calendar year. At that time, we offer the opportunity to make a first gift of the new year to the Brothers. This year, 282 of our friends generously responded with gifts totaling over \$27,000. What a wonderful way to start the new year!

Spring Retirement Appeal

This past spring, members of our extended Marist Family and alumni responded to our need for financial assistance for our elderly and disabled Brothers. Through the generosity of 967 donors, over \$103,000 was raised to help care for our senior men. We are grateful for your help in caring for our aging Brothers who have dedicated their lives to educating and mentoring young people.

The Annual Fund

The Annual Fund remains the Development Office's largest single source of support for the Brothers. This past year, 2,000 of our friends contributed over \$394,000 to our Annual Fund. Through your gifts, you are investing in the future of the Marist Brothers, our works, and our ministries.

Sustaining Support

Members of our Marist Family regularly contribute throughout the year to a number of ongoing Marist ministries. This year, 1,312 folks sent gifts of nearly \$100,500 in support of our diverse needs and ministries, including gifts to our Remembrance in Prayer Program; memorial gifts in honor of a friend or loved one; gifts to our Marist missions around the world; gifts in response to our Province newsletter, *Today's Marist Brother*; and gifts for the general needs of our Brothers.

At **Archbishop Molloy High School** in Briarwood, New York, service work is carried out through an organization called the St. Marcellin Champagnat Society. Students work together to plan service and volunteer work.

The Marist Brothers

Remembrance in Prayer Program

The Marist Brothers offer two different series of Remembrance in Prayer cards: Traditional and All-Occasion cards. Our signature Traditional cards feature the image of Christ and a Marial design. Both of these Traditional cards may be used as memorials to remember the deceased. Our two All-Occasion cards may be sent in honor of a birthday, wedding, or anniversary or to extend get-well greetings. All cards carry a special promise of Remembrance in Prayer from the Marist Brothers.

We would be delighted to send you a complimentary packet of our Traditional or All-Occasion cards. Please send your request through email (maristbr@maristbr.org) or to the mailing address at left.
