"Making Jesus Known and Loved..."

Marist Volunteer
Community
at the MBCE

"The Marist Brothers' Center at Esopus is devoted to the work of Christian evangelization. Here the presence of God is discovered in a new way by young people and adults alike. Hearts are touched, lives changed and "Jesus is made known and loved." - MBCE Vision Statement

If you are looking for an extended service opportunity, checkout the Marist Volunteer Community! Spend a year making a difference in the lives of young people as part of the MBCE Team!

The Marist Brothers Center at Esopus is set in the majestic Mid-Hudson Valley in New York State. Located on a 120 acre historic estate, the MBCE primarily serves today as a center for youth retreat programs and adult formation programs.

"I left college unsure of what I wanted to pursue as a career, so I knew spending time in Esopus would help me follow God's direction in what He knew I was meant to do."

- Johnny McEntee, Former Volunteer

"There is beauty in the quiet, methodical way that we performed our maintenance tasks and I often used that chance for personal reflection and meditation."

- Roland Varriale, Former Volunteer
